Join the Trailing Truck Transformers!

This is your chance to be part of an exclusive club and aid the overall restoration of General Steam Navigation by becoming a Trailing Truck Transformer.

The Trailing Truck was removed from the frames at the same time as the successful boiler lift on 2nd October. The estimate for the full refurbishment and overhaul of the Trailing Truck by specialist contractors is £15,000.

Members of the funding group would receive a number of benefits including:

- Certificate of membership of the 'Trailing Truck Transformers'
- Name engraved on a suitable brass plaque attached to the refurbished Trailing Truck
- Regular updates on the refurbishment of the Trailing Truck
- An invitation to a VIP day at the Swindon and Cricklade Railway to see the completed Trailing Truck once it is returned to the railway.

We are offering a maximum of 30 members the opportunity to purchase a 'Lot' for £500. Members are welcome to purchase as many 'Lots' as they wish up to the maximum target amount. You can help by buying lots in blocks of 500 one Pound shares outright or by 5 x £100 payments by Standing Order. You can also pay via cheque made out to the General Steam Navigation CIC sent to the same address as below. To sign up via BACS please email info@35011GSN.co.uk
